

Why IB at Kehoe-France?

- IB provides a framework to **challenge** our students to think and **connect** more **deeply** with what they are learning.
- **Student-centered learning** provides fundamentals to become **successful, lifelong learners academically and personally.**
- By **exploring** significant, broad, and balanced **content**, students will be able to **engage** in an increasingly **globalized, changing world.**
- Teaching methods are **research-based**; unifying the approach to teaching and delivery of curriculum creates a **more cohesive and integrated education for all students.**
