

# Engage Portal

Engage can be accessed through the Engage App:

A login form with a light gray background. It contains two input fields: "User ID" with a person icon and "Password" with a lock icon. Below the fields is a blue "Log in" button.

Or a web browser:

The website is: <https://kehoe-north.engagehosted.com/>

You should have received an email with your login credentials.

These work with both the app and the web version.

If you have not received that email, please contact me.

If you are using the app, I suggest you go to the Portal

# Engage Homescreen - Calendar

The Calendar can be used to view major school wide events.

The screenshot shows a web browser address bar with the URL `kehoe-north.engagehosted.c`. Below the browser is a blue header for the "KEHOE-FRANCE NORTHSHORE" Parent Portal. A navigation bar includes links for Home, My Details, Daybook, Activities, and My Calendar. The "My Calendar" section is active, displaying a monthly calendar for November. The calendar view includes navigation arrows, a "today" dropdown, and tabs for DAY, WEEK, MONTH (selected), and AGENDA. The calendar grid shows events for the first 22 days of the month, with events listed in blue boxes.
